Hot Docs: National War Powers Commission

July 9, 2008

The National War Powers Commission, co-chaired by Secretaries of State Baker and Christopher, released a report yesterday. This commission report recommends that Congress repeal the 1973 War Powers Resolution and “substitute a new statute that would provide for more meaningful consultation between the President and Congress. In its final report, the Commission has recommended that Congress pass a new statute, the War Powers Consultation Act of 2009, establishing a clear process on decisions to go to war.”
